CERTIFICATION - WHY IT MATTERS

ASD CERTIFICATION

Sliced Tech is an ASD Certified Cloud Service Provider that has incorporated and automated the delivery of the Australian Federal Government's Information Security Manual (ISM) and Protective Security Policy Framework (PSPF) controls.

Core to our business is delivery of ASD certified Protected cloud, Unclassified DLM cloud and secure Gateway service at the Protected security classification along with fully integrated Managed Services. This certification provides independent assurance & significantly reduces the scope and cost of accreditation and certification activities for our customers.

ISO/IEC 27001:2013

The information security management system (ISMS) ISO/IEC 27001, aligns Sliced Tech with best practices to manage an ISMS and reduce cyber risk.
